

Seminar

Ideals in numerical Applications

Tomas Sauer

Lehrstuhl für Mathematik mit Schwerpunkt Digitale Bildverarbeitung
Universität Passau

Passau, 10.7.2018

For whom?

- 1 Master Computational Mathematics
- 2 Master Computer Science (with strong mathematical interest)

What? Ideals in numerical applications

- 1 Algebraic methods in signal processing
- 2 Quadratic programming for real ideals
- 3 Filterbank completion

Required knowledge?

Lecture „Ideals in numerical applications“

Registration?

Email to Tomas.Sauer@uni-passau.de
