

Colloquiums in the Winter semester 2025/26 of the Faculty for Informatics and Mathematics, University of Passau

Terms from October 2025 till February 6, 2026 (status: December 4, 2025)

| Date | Lecturers | Title or information | Invitation from |
|--|---|--|--|
| December 9, 2025 5 p.m., HS 11, IM | | | |
| December 16, 5 p.m., HS 11, IM | | | |
| January 13, 2026, 5 p.m., HS 11, IM | Radek Honzik | Set theory in mathematics | Prof. Dr. Moritz Müller |
| January 20, 5 p.m., HS 11, IM | Prof. Tibor Szabo (FU Berlin) | Title: ... | Prof. Dr. Stefan Glock |
| January 27, 5 p.m., HS 11, IM | | | |
| February 3, 5 p.m., HS 11, IM | | | |
| Colloquiums, which took place: | | | |
| November 4, 2025 5 p.m., HS 11, IM | Prof. Dr. Katrin Tent (University of Münster) | Universal hyperbolic graphs and spaces | Prof. Dr. Tobias Kaiser and Prof. Dr. Moritz Müller |
| November 18, 2025 5 p.m., HS 11, IM | Ass.-Prof. Dr. Matija Bucic (University of Vienna & Princeton University) | The spanning tree spectrum | Prof. Dr. Stefan Glock |

The FIM Colloquiums are most of the time on **tuesdays at 5 p.m.** in HS 11, FIM, Innstr. 33 in the University of Passau. The reservation on tuesdays is from 5 till 7 p.m. in the semester.

If you organize events or colloquiums at other times, you should reserve the room **by yourself** or/and **organize the dates for the online Zoom**. Afterwards you should tell me these dates. Thank you.

I need the title and abstract (please not in Latex form) about 7 or 10 days before the event (in Word **or** as a text in an E-Mail). **Colloquiums for doctorands** are on **wednesday afternoons (oftenly in room 242, IM, Innstr. 33 or so on)** and **oftenly** also as Zoom events. **The dates for the Colloquiums for the doctorands please tell Dr. Robert Offinger** and not me. Thank you very much.

Gislinde Oberländer, phone number: +49 (0)851-509 5061

E-Mail: oberlaen@fim.uni-passau.de

Secretary of Prof. Dr. Matthias Brandl (IM), Prof. Dr. Stefan Glock (HK30) and Prof. Dr. Jens Zumbrägel (IM)
office 230, IM **and** in the HK30 in the office 117 (there I am mostly on Tuesday afternoons)
